**Online Education**

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	At the commencement of the session, the departments execute the well- planned semester course for the students, with the reading and support material from different resources (Physical - Hard Copy, E-content, e-resource from Swayam Prabha, links from NDLI, relevant resources from You-tube) to help the students. Additionally, the college is developing online - resources to make the teaching flip. Student- friendly groups are created on social media platforms (WhatsApp or Telegram) for ease of communication between the faculty and the students. To inform students a priori about the course module an induction meet is organized under the helmsmanship of the principal and the IQAC coordinator. These activities make the students aware about the functioning of the department for the session. These courses are fabricated in a manner which answers the inquisitiveness of the pupil, and inculcates in them problem solving skills, irrespective of language barriers. Subsequently, we anticipate learning outcomes with students developing skills and their enhanced overall performance.
